Dr. Albert Sabin
Children's Hospital Research Foundation
Cincinnati 29, Ohio

Dear Dr. Sabin:

Here are the items concerning Cincinnati's' most fortunate day...when your vaccine gave 1960 a clean polio bill of health for our town.

You have my thanks voiced again. If there is any matter in which I may help your good work along, (however unlikely this possibility may be) please consider this as a standing offer...for all time.

Sincerely,

Ralph Vines
