Dear Henry:

My trip to Japan turned out to be a trip around the world which took me also to India and Moscow. I was glad to find your letter and the enclosed charts on my return to Cincinnati. Since I shall be unable to attend both the meeting of the Enterovirus Committee on November 6 and the meeting of the APHA, I would greatly appreciate receiving a copy of the paper that you intend to present at that meeting.

With all good wishes and kindest personal regards.

Sincerely yours,

Albert B. Sabin, M. D.
