Dear Yaacov,

Many thanks for your kind letter of August 10. As the enclosed copy of my letter to Chernitsky indicates, I asked him to try to schedule his visit at a time when you will be in Israel. Unfortunately, we have no plans for visiting Israel in the near future. We keep hoping that somehow we may have the pleasure of a visit from you the next time you come to the United States.

Best wishes and affectionate regards to Giza and yourself from Heloisa and me.

Sincerely,

Albert B. Sabin, M. D.
