Dear Dr. Sabin:

Since you will be out of the country for the next few days, I am sending your manuscript to the printer. You should receive the proofs shortly after you return.

The copy editors have added some subheads, have deleted the portions you marked, and have made a few other suggestions. Please feel free to accept or reject these suggestions on the galley proof, to change the subheads, to add subheads, or to delete subheads.

Sincerely,

Robert V. Ormes
