Dear Albert:

Thank you very much for sending to us the additional quantity of Kaugher virus.

I have just received two copies of the monograph on Virus and Rickettsial Diseases of the Respiratory Tract by Magrassi, Frugoni, and Giunchi; both copies were addressed to me, however, you will note in the copy I am forwarding to you under separate cover that one was inscribed to you.

Best personal regards.

Sincerely,

Jonas E. Salk, M. D.
