Dear Dr. Sabin:

Thank you very much for phoning in the necessary changes on the Pediatrics Congress story.

I'm sorry indeed that you haven't seen Medical News, and am enclosing the current issue (in which the Copenhagen report appears on page 2) and the previous issue as well. Since you think so highly of our competitor, I'm sure you will in all fairness give our publication a good look! I'll appreciate hearing what you think of it.

Please let me know if you would like additional copies of this current issue.

Sincerely,

Elma T. Wadsworth
