Dear Dr. Sabin:

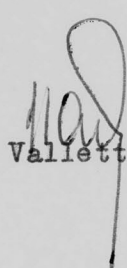

I thank you for the good expressions you addressed to me in your letter of May 6.

The comments you so kindly made on Fiat before leaving Italy are particularly gratifying.

I am very happy to have had the opportunity to be of some help during your short stay in Italy. It was a small sign of the great appreciation and warm admiration that you will certainly have felt to be so widespread for you in our country.

With the kindest regards.

Sincerely yours,

  
(V. Valletta)
