Dear Patricia:

Pursuant to our conversation recently at the Contemporary Arts Center about your "Jet Bell Ranger" project, the individual you should contact is:

Mr. James C. Fuller
Vice President - Public Relations
Bell Helicopter Company
Division - Textron, Inc.
Box 482
Ft. Worth, Texas 76101
Phone: (817) 280-2106/07

I do not know Mr. Fuller, but I am confident that a contact with him will lead you to the decision-maker for a program such as you have in mind.

Good luck!

Sincerely,

Bob
