My dear Bob:-

Wrote Ed Card Saturday eve that your last shipment of mail came to hand in good shape. Have lots of gossip but it will keep until I see you. What I have on mind now is that a friend of mine wrote that he had some material he would like to send me. I gave him your address and told him that you could take care

of it just as well as I could. That
it would be well to drop you a line
in advance. Ma is here now waiting
to go driving with Annie Tweedie.

We ran into a lot of the Cluxtons
Mrs Cluxton is visiting here. Mamie
& Rosie are living up in the Bronx.
Alex is water inspector for city and
living in Brooklyn. Jimmy is an
Engineer in a 5th Avenue building
and living on 14th St. They were asking
for Jim, Dan, Mary & yourself. Ma visited
Barretts again Saturday, and Mrs Brunette. JOE
