Mr. P. J. Morrin  
Indianapolis, Ind.

Dear sir and brother:

Just a note from the coast to let you know that Ed called on me one day last week and I was very pleased to see him I assure you. No doubt he will report to you shortly if he has not already done so. He made the statement to me that something could, in his estimation, be done as to the preliminaries, but that the matter was up in the air temporarily until some time next month.

Note your statement as to the Board meeting and will wait until Brother Seahill calls on me for, as you write, to outline the situation from your end.

In a former letter I mentioned Fred Sherman and I have personally been trying to get in touch with him, but up to the present time have been unable to do so. In connection with this matter I would like to suggest to you the name of a very good friend of mine in Cleveland, Ohio who is an old time member of # 17; it is Brother W. J. McGregor and his address is # 636 E. 101 st. street, Cleveland, Ohio. He is a man of family and I am not sure if he would care to leave them even for a short time, but if your hands are full, and I feel certain that they are after reading your report in the current Magazine, my friend McGregor would be perfectly satisfactory to me. Ed was pretty thoroughly posted on the situation out this way even before his last trip but I think that some of the things he will have to tell you when he sees you will be both new and interesting.

Returning the kind wishes of yourself and your co-workers, I am,  
Fraternally and sincerely your friend,
